PHOTOTHON:

- 'Life Dairies During Lockdown'

A Photography Contest with a Social Cause

India is going through an unprecedented phase where everyone is trying to embrace the changes that have come with the lockdown and are learning to adapt to it in the best way

possible. The COVID 19 pandemic and the subsequent lockdown has significantly affected everyone in some or the other way. With no option but to follow the rules, everyone has taken this as an opportunity to spend time with their family and pursue their hobbies and interests which were otherwise kept on hold.

It's your chance to showcase all the fantastic memories you have created at home during this lockdown. We invite you to submit photographs in any of the following categories to participate in this content and also win exciting Cash prizes. Two Cash prizes per category will be given to the photographs chosen by the judges.

Categories:

-  Candid Moments
-  Family time
-  New acquired hobby
-  Unveiling creativity
-  Nature at its best

Registration fee of minimum Rs. 50/- or more can be submitted online through the following link.
